It is constructed of steel and its highest speed is 60 miles an hour. It has an express apartment and 75 passengers may be seated. The usefulness of the car will be tested on the Penn. R. —Youngstown authorities are agitating the establishment of a workhouse at some convenient point, to care for petty criminals in Trumbull, Mahoning and Columbiana counties, especially those known as "repeaters," who never do any gross crimes, but are petty offenders. At the present time these counties and many of the towns and cities in them send their prisoners to Cleveland and Canton, which is expensive, and the other plan it is believed would prove a saving. It is likely that the Mahoning county commissioners will take up the proposition soon, and confer with the others.

## ROBBERS KILLS FLAGMAN

ORDERS PORTER TO TURN OUT LIGHTS IN CAR.

Lone Highwayman Then Relieves Four Passengers of Valuables and Makes Good His Escape.

St. Louis, Sept. 7.—Passenger train No. 15 on the Chicago, Burlington & Quincy railroad was boarded at Union station by a lone robber, who killed and threw overboard the flagman, J. M. Wine, of St. Louis, held up the porter, ordered him to turn out the lights in his car, which the robber then entered, robbed four passengers and got off the train at the Carr street station on the levee and made good his escape. The robber boarded the rear platform of the last Pullman sleeper, where he met and murdered Flagman Wine.

After disposing of the flagman's body the robber held up the porter, who opened the rear door of the sleeper and ordered him to go into the car and turn his lights out. The negro, instead of obeying, went into the ladies' toilet and locked himself in. The robber did not wait for the porter to comply with his order, but burst into the car, firing through the roof and windows as he went in and commanded the passengers to hold up their hands. He then started through the car and had relieved four passengers of their money, watches and other valuables when the train slowed up at Carr street station.

## CENTENNIAL AT NORTH LIMA

Churches Will Observe Their One Hundredth Anniversary.

Good Hope Evangelical Lutheran and Mount Olive Reformed churches at North Lima, will celebrate the Centennial of the organization of these two congregations and hereby extend a cordial invitation to all who desire to enjoy the occasion. Following is the program:

Sunday, Sept. 11.—Service at Good Hope Evangelical Lutheran church. Rev. J. H. Graf, pastor. At 10 a. m. sermon by the Rev. William J. Miller, D. D., Greensburg, Pa. At 7 p. m. sermon by the Rev. T. B. Roth, D. D., Greenville, Pa., ex-president of Thiel college of that place. A good union choir under the able leadership of Charles Sell of North Lima, together with Miss Katherine Siegle of Leontonia, as soloist, will render special music for the occasion.

Wednesday, Sept. 14.—Open air meeting at Stafford's grove, adjoining the Reformed church. Short devotional services; addresses by visiting clergymen; reading of short histories of both congregations and at the conclusion thereof a memorial tablet and stone will be formally dedicated in memory of the labors and sacrifices of the pioneers, who built the established first church in that community. The meeting is intended to be a social gathering of old friends and neighbors.

Sunday, Sept. 18.—Services at Mount Olive Reformed church, Rev. L. J. Rohrbach, pastor. At 10 a. m. sermon by the Rev. George S. Shaw, D. D., of the Theological seminary, Dayton. At 7 p. m. sermon by Dr. Stibitz. Special music by the union choir.

The beautiful memorial stone and tablet have been erected on the site of the old church building, which for more than half a century was the spiritual home of hundreds, who there received comfort and the blessed bread of life.

There are few churches in eastern Ohio which have passed the hundredth milestone in history and a notable, chaste and dignified celebration of such an event well deserves the patronage of every lover of that which not only serves for the temporal good of a community, but which also looks after the spiritual welfare of the people.

Good Hope Evangelical Lutheran church points to the venerable pioneer and missionary, the Rev. Father Stauch as the first minister who preached in North Lima. Though never having a large membership the congregation has a history of which it can be justly proud. There are few country congregations which can boast of more beautiful church property than it has, while, true to the spirit of its organizers, it has ever endeavored to carry the missionary spirit with it through these many years, and today it can point to the Good Hope Evangelical Lutheran church, North Lima, as its daughter and to the Revs. P. E. Baisler, Winnipeg, Can.; H. F. Obenauf, of Mountaineer, W. Va.; Aaron Houk, Perryville, Ohio; S. H. Yerlan, Port Clinton, Ill.; and Ezra Houk of Austin, as her benefactors.

The inscription on the memorial tablet is as follows:

1810-1910: "Other Foundation Can No Man Lay than that is Laid, which is Jesus Christ." Erected at the Centennial Celebration of the Good Hope Evangelical Lutheran church, North Lima, and Reformed churches of North Lima, Ohio, at the site of their Union House of worship.

**HOW'S THIS?**

There are more Catarrh in this section of the country than all other diseases put together, and until the last few years was supposed to be incurable. For a great many years doctors pronounced it a local disease, and prescribed local remedies, and by constantly failing to cure with local treatment, pronounced it incurable. Science has proven Catarrh to be a constitutional disease, and therefore requires constitutional treatment. Hall's Catarrh Cure, manufactured by F. J. Cheney & Co., Toledo, O., is the only constitutional cure on the market. It is taken internally in doses from 10 drops to a teaspoonful. It acts directly upon the blood and mucous surfaces of the system. They offer one hundred dollars for any case it fails to cure. Send for circulars and testimonials. Address F. J. CHENEY & CO., Toledo, O. Sold by Druggists, 75c.

Take Hall's Family Pills for constipation.

**When Merit Wins.**

When the medicine you take cures your disease, tones up your system and makes you feel better, stronger and more vigorous than before. That is what Foley Kidney Pills do for you, in all cases of backache, headache, nervousness, loss of appetite, sleeplessness and a general weakness that is caused by any disorder of the kidneys or bladder. F. A. Morris.

## It May Be Pneumonia

"A hard chill, pain through the chest, difficult breathing. Then fever, with great prostration." If this should be your experience, send for your doctor. You may have pneumonia! If your doctor cannot come at once, give Ayer's Cherry Pectoral. When he comes, tell him exactly what you have done. Then do as he says. No alcohol in this cough medicine. J. C. Ayer Co., Lowell, Mass.

Keep the bowels in good condition. One of Ayer's Pills at bedtime will insure an increased flow of bile, and produce a gentle laxative effect the day following.

## OUST 33 POLICE MUTINEERS

Civil Service Commission at Columbus Upholds Action of Director of Safety.

Columbus, O., Sept. 7.—The civil service commission handed down its decision in the cases of the 33 patrolmen who were dismissed by the director of safety, E. L. McCune, approving of the action of the director and refusing to grant to the mutineers the privilege of reinstatement in the police department. Attorneys for the mutineers will carry the case into the courts.

## BURROWS PROBABLY DEFEATED

United States Senator From Michigan Thought to Have Lost Nomination to Townsend.

Detroit, Sept. 7.—At 11 o'clock last night it was practically a certainty that United States Senator Burrows had been defeated for renomination at the Republican primaries by Congressman Charles E. Townsend of Jackson. Chase S. Osborn has been nominated for governor by a majority larger than Townsend's. Everywhere upstate he ran ahead of Townsend, carrying practically every county that Townsend did and many that Townsend did not. Lieutenant Governor Kelley has carried Wayne county, but there is no possibility that his majority can be large enough here to defeat Osborn.

## SIR KNIGHT IS SUSPENDED

Past Officer of Pythian Order of Iowa Charged With Making False Statements.

Des Moines, Ia., Sept. 7.—Carl Kuehnle of Des Moines, former law partner of Leslie M. Shaw, and past grand chancellor of Knights of Pythias of Iowa, was suspended from the order on charges preferred by Ben I. Sallinger of Carroll, charging that he and four other members made false statements at the last grand lodge when they accused Sallinger of misappropriating the lodge's money to further political ambitions. The grand tribunal is here hearing evidence and will make a report to the grand lodge meeting next week.

## School Children

Ninety Per Cent. of Their Education Gotten Through the Eyes

Now is the time to bring the children in for an Eye Examination—get them ready for the next 10 months' hard work.

You know they go to school to get an education; 90 per cent. of our education we get through our eyes, and if the children have poor eyes, they are badly handicapped and are wasting valuable time and energy in their effort to get an Education. Now, I can not take care of all the children—there are too many of them—but I particularly want those children whose parents love enough to want them to get the very best eye attention.

Just returned from Chicago where I received more instructions on the Eye and Nervous Systems. Of course you know I have been in Youngstown 15 years and that my reputation is beyond question. I might add, also, that I do not use Atropine "that very deadly poison" commonly called "drops" in the eyes. I have examined over one hundred thousand eyes and never had occasion to use a drug. Beware of "drops" in children's eyes, for they are deadly poison and the eyes are never as good after "drops" are used.
